

Thank you for your order

Your tickets have been checked and are enclosed but if you have any problems please call Mike or Jill on **01623 870668**, email **jillj@runbox.com** or write to:

FCL, PO Box 8413
Bilsthorpe, Newark
Notts NG22 8WY
quoting reference:

128

Please read the terms and conditions on the reverse of your concert ticket.

Although you may have been before, please take a few moments to read this information leaflet – it will save you time on the day of your arrival.

For the past two years the Police have been concerned with the traffic build-up on the A361 on the opening day of the festival. In order to alleviate

this problem, we have been advised to make Willamscot Road a **one way street** for Thursday 13 August while traffic is busy. Hopefully we will be granted this Temporary Traffic Order for the festival. This means that Campsites 1 to 6 will **only** be available from the A361 and not from Cropredy village itself. **All** traffic coming to the festival via the A423 and Cropredy village will be directed to Campsites 7a to 7d, which will open at the same time as the others. Willamscot Road will be **closed** to all oncoming traffic from Cropredy Bridge.

Please have your **camping stickers** displayed on your windscreen before you arrive so we can wave you through to your camping spot without being stopped. Those wishing to purchase camping stickers on the day must follow the directions of our helpful stewards.

Camping places cannot be reserved and places will not be held on fields. Those wishing to camp together must meet off-site and arrive together.

Day visitors **must not** park in the village (you will be fined by the PCSOs). There are two car parks: one on Willamscot Road for those coming from the A361 and one on School Lane for those coming from the A423.
